BRJP Highlights and Concerns:

- 61 Boston residents have been reported, 45 (74%) have been successfully verified.
- The current payroll submission time is 5 days. BRJP goal is 7 days. Payrolls submitted on time help monitor the project in a timely manner.
- Work Force Documentation forms have been received.
- JDC Demolition (who employed laborers) is the #1 sub-contractor with 17,921 work-hours. JDC is struggling with females at 4% and Boston residents at 23%. 92% of the work-hours were spent on labor.
- John Moriarty & Associates has exceeded BRJP goal on residents at 54% and POC at 73%. Female numbers are 0%.
- J. Derenzo continues to struggle with residents at 20% and POC at 10%. With 8,178 work-hours on the project, J. Derenzo has contributed to bringing down the overall numbers. J. Derenzo has almost reached BRJP female goal at 10%.

RECOMMENDATIONS:

- J. Derenzo to submit a written corrective action plan to the BRJP office within 10 days. If the corrective action plan is not satisfactory, then a corrective action meeting will be scheduled at the BRJP office.
- JMA to explain why their workforce is at 0% females in the laborers trade.
- Invite business agents to upcoming pre-construction meetings to ensure subcontractors are being proactive in reaching employment standards prior to mobilizing on site.
- Continue to encourage subcontractors that are deficient in any category, to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.
- Please continue to make sure Boston residents are verified prior to starting on site.
