

BACK BAY, WE ARE INVESTING IN YOU!

Capital Plan for Fiscal Years 2020-2024

\$34.7M INVESTMENT

in safe, reliable, and equitable street and transportation infrastructure, including:

- **\$12.6 million** towards the Dalton Street bridge, which includes design and construction costs for the rehabilitation.
- **\$3.8 million** towards streetscape improvements on Boylston Street sidewalks. The next phase will reconstruct sidewalks on the north side of Boylston Street between Exeter Street and Fairfield Street.
- **\$18.3 million** to replace the Massachusetts Avenue bridge at Commonwealth Avenue.

\$8.3M INVESTMENT

in citywide climate resiliency planning efforts, including Back Bay near Charles River dam, and a Climate Ready Boston Harbor Study.

\$2.4M INVESTMENT

in high-quality facilities and infrastructure, including:

- \$2 million investment to replace the roof at Snowden International School.
- \$435,000 for renovations to existing staff restroom at the Central Library.

\$2M INVESTMENT

in equitable open spaces and parks.

- \$1.5 million to upgrade play equipment at Clarendon Street Playground
- \$500,000 for redesign of Copley Square Park
