BRJP ISSUES & HIGHLIGHTS:

- Boston Children's Hospital Clinical Bldg. had their BEC Special Presentation on June 2017 & a Project Review on 11/15/17. Construction will not be 25% complete until October 2018.
- The overall project payroll submissions are at 16 business days due to the previous late payroll issues (overall project was at 24 business days). As well as recently Hub Foundation had a lull in submitting payrolls and the GC thought they had completed all their work but they had actually returned and submitted January, Feb & March payrolls all on 03/29/18.
- Boston Resident verifications are at 69% verified.
- Laborers are the largest trade onsite with low resident participation 20% (-5%). They did increase in POC 40% (+9) & Female 5% (+5%).
- Carpenters are the 4th largest trade onsite and has increased their overall workforce participation Resident 35% (+17%), POC 21% (+17%). They still are at 0% Female workforce.
- Liberty Construction is now the largest subcontractor onsite with the lowest Boston resident participation at 17%. They have increased their workforce for POC 28% & Female 6%. Suffolk is in the process of reviewing the subcontractor payrolls for incorrectly reporting other contracts with the hospital on this project's payrolls.
- J.F. White the 3rd largest subcontractor onsite is still performing poorly in Boston residents at 22%, which is lower since their last BEC review when it was at 34% Boston resident. They have submitted 2 work request forms from the equipment operator union back in March & August 2017.
- S&F Concrete workforce participation continues to decrease Boston Residents at 26% (-3%), Female 0%.

RECOMMENDATIONS

The BRJP recommends that Suffolk Construction:

- To conduct a corrective action meeting by June 27th with the following subcontractors: American Plumbing, J.F. White, Liberty Construction and S&F Concrete. As well as the following union business agents from Equipment Operators Local 4, Laborers Local 22, Carpenters Local 328.
- To review BRJP history reports of all future subcontractors awaiting to start work onsite prior to their Pre-Con meeting so they can have a strategic plan in place for their workforce and to make sure that business agents are included in the future Pre-Con meetings as well.
