PROOFING IS A SHARED RESPONSIBILITY.

Please check carefully for misspellings, grammatical errors, missing fonts, placement, sizing, etc. Note this proof is not a true representation of color. Only PMS colors noted on the proof will be matched. The representation above includes excess material for finishing unless otherwise noted. If proof is approved to Lawrence Fabric & Metal Structures and afterward needs to be pulled from production due to changes then additional charges may apply. Turn around time is 10 production days once material has been received and proof approved unless stated otherwise.

If the above is a true representation of what is expected please sign & date below.

Nite-Lite®

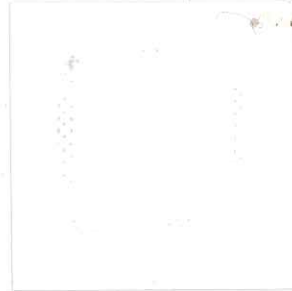

61 inches wide, 16 oz. per sq. yd.

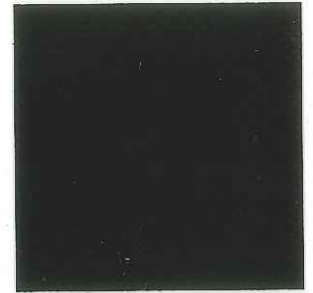

Nothing gets attention like Nite-Lite®. Nite-Lite fabric, specially developed for back-lit awning and sign applications, has set a standard of excellence for the industry. Made of vinyl-laminated polyester, Nite-Lite features an acrylic-coated surface for easy application of graphics and quick cleaning. Its white backing assures superior illumination. Nite-Lite can help you create a back-lit awning with its own character using one of our vibrant colors. All backed by an 8-year limited warranty.
