Boston Employment Commission Project Review

BRJP Highlights and Concerns:

- Prime Steel has the largest work force hours, 8,587 hours of which 41% residents, 26% people of color and 7% female. The people of color goals were exceeded.
- The overall average submission time for payrolls is 4 days. BRJP goal is 7 days.
- 75 Boston Residents have been reported. 36 (48%) have been successfully verified. 39 (52%) have not been verified.
- E.M. Duggan continues to struggle with female numbers. They have reported 0% females.
- Component Assembly continues to struggle with female numbers. They have reported 0% females in both Carpenters and Laborers trade.
- The top five contractors average 36% Boston residents, 30% people of color 30% and 4% female.
- Bay state concrete has a significant negative impact in driving down the resident and female numbers at 0% residents and females.
- J.K.Glass has failed in meeting BRJP goals in every category at 7% resident, 14% people of color and 0% female. J.K. Glass employs Carpenter, Glazier and Iron workers.
- Quality Air Metals continues to struggle in all categories at 19% residents, 12% people of color and 0% females.

RECOMMENDATIONS: The BRJP Office recommends the following:

- E.M Duggan, Component Assembly, Quality Air Metal, Inc. and J.K Glass Co. submit Corrective Action plan followed by a corrective action Meeting within the next 10 days, if the corrective action plan does not satisfy BRJP.
- Submit a plan of action to BRJP detailing reason why Component Assembly has not attracted any female carpenters or laborers.
- Submit a plan of action to BRJP detailing reason why E.M Duggan has not attracted any females in HVAC, Pipe fitter and Sprinkler fitter.
- Continue to verify Boston residents as they come on to the job site.
- Contractors call union hall and speak to their BA to provide a more diverse force.
