COMMUNICATION AGREEMENT

GROUP AGREEMENTS FOR A FAIR, PRODUCTIVE CONVERSATION:

- Be respectful and use respectful language
- Share airtime so everyone gets a chance to be heard
- If you disagree, consider asking a question rather than arguing to prove your point
- It's okay to disagree, but don't personalize it. Focus on the idea, not the person
- Speak up if the process doesn't seem fair
- If you talk about people who are not here, don't use their names
- Speak for yourself, not the group
- We all share responsibility for making the group productive
- Listen to each other
