

Economically Mobile Residents

“ *Mas oportunidades de trabajo para mejorar la economia de Boston y para tener una mejor vivienda.*

— *East Boston resident* ”

“ *Create long term jobs with ample promotional opportunities... and better paying ones at that.*

— *Dorchester resident* ”

IMAGINE
BOSTON 2030

Imagine if Boston could reduce the wealth gap.

What if we could...

(Check all that appeal to you)

- Advocate to raise the minimum wage to \$15 (from \$10)
- Site job training centers in neighborhoods with high poverty and high unemployment
- Continue to use City contracts to support local, minority-owned, and women-owned businesses
- Encourage financial education, including credit building awareness and assistance, and saving through automatic savings accounts for residents
- Promote one-on-one financial coaching for residents, along with career services that target a career path with living wages
- Support equal pay through salary negotiation workshops
